FOREWORD

The edge of the sea is a strange and beautiful place. On all the shores there are echoes of the past and future; of the flow of time, removing yet containing all that has gone before. There are the sea's eternal rhythms—the tides, the beat of the surf, the pressing of the river's currents, shaping, changing, dominating; the stream of life, flowing on as freely as any ocean current, from past to unknown future. For as the shore line changes in the flow of time, the pattern of life changes, never static, never quite the same from year to year. Whenever the sea builds a new coastline, waves of living creatures surge against it, seeking to take hold and establish themselves. And so life is like the sea, a force strong and purposeful, as incapable of being crushed or diverted from its ends as the rising tide.

DEDICATED TO . . .

Miss Grace Garland, who once replied when asked why she stayed in the teaching profession, "I love youth and I love, even more, working with them." So it is with that attitude Miss Garland has been an outstanding teacher at Edison High School for many years. Her varied interests and her sincere enthusiasm for each of them, in school as well as out, have made her the versatile individual that she is.

Tops on the list of her school activities is her coaching of many class plays. "The Father of the Bride" and "I Remember Mama" are two of many plays that she has handled. Miss Garland has organized her radio workshop classes into producing many school radio plays and a few television plays. As head of Edison's speech department, Miss Garland has guided many students in speech contests and on debate teams. In previous years, she was the advisor of the dramatic club, "Footlights and Curtain."

Outside of school, Miss Garland has an unlimited number of interests. She has been employed in Glacier National Park, where she had charge of camps on riding trails. She also taught horseback riding in areas of Minnesota. Miss Garland has sung in her church choir for years. She is sincerely interested in classical music and enjoys playing records on her newly purchased "hi-fi" record player.

With all her varied interests and personal attributes, Miss Garland is, truly, an individual to be admired and remembered. It is for these reasons that the 1958 WIZARD staff is proud to dedicate their yearbook to Miss Grace Garland.

Dear Phil

It sure has been nice knowing you and being in the same class. I always enjoyed talking with you. I think you are a wonderful person. I hope we will be able to see each other next year. I wish you all the best of luck and happiness in the years to come.

Love
Janice

SENIOR ADVISORS

MRS. ETHEL POHLSON
Senior Advisor

As we, the Senior Class of Edison High School, approach graduation, we call to mind the events that have made our Senior year the most memorable of all. The election of Senior class officers . . . the thrilling event of Homecoming with the crowning of our queen, Barbara Gacek . . . Sadie Hawkins Day . . . and then our first class party, "Harvest Moon" . . . Tommie Twirls . . . the splendid cast of our class play, "Meet Me In St. Louis" . . . the weeks spent on our term papers . . . "Snow Swirl," our winter party . . . the Winter Carnival, and the crowning of our king, Al Forrest . . . our hard working, determined basketball team . . . the thrill of our winter prom, "Winter Evening," preceded by a dinner . . . the suspense of Vaudeville . . . Edison Week, with the Seniors

Phyllis,

It's just been a riot having you back at Edison this year. We sure had a panic in old Stan's room. Sure miss her yelling at us every day. Darn, I don't know why she had to move my seat. Remember the ball we had talking and joking in gym about the prom. Wasn't Marge Trost just killingly funny. Well, I hope the prom turned out all right for you. By the way, I'd like some of your colored pictures of the prom. We had a good time exchanging answers during Wallace's tests too. Have a terrific time this summer and maybe we can get together.

Best wishes always,

Bob Haspel

STUDENT COUNCIL

One of the most important organizations in any school is the Student Council. It performs many functions for the welfare of all students. The Student Council is composed of an executive committee, elected by the student body, and a representative from each advisory. This year's Student Council sponsored many social events such as, Homecoming, Sadie Hawkins, Winter Carnival and Vaudeville. Also, they had many fund raising campaigns for the Organ Fund. Besides raising money and sponsoring social events, the Student Council makes many of the regulations which govern the students. The advisor of the Student Council, Mr. Larsen, has done an outstanding job in guiding the Student Council toward its many successful goals. His willingness to help the committees has been very much appreciated.

THE JUNIOR CLASS

A class at Edison first begins to function as an organization when it is in its Junior year. The class then elects officers and a Junior Cabinet. The cabinet consists of one member from each Junior advisory. The three main activities of the Junior class are the Class Party in the fall, the Junior Prom in the spring, and the Senior Mother's Tea.

JUNIOR ADVISORS—*First row:* Mr. Brown, Miss Deverell, Miss Ross, Miss Sorenson, Miss Wallace, Miss Ferguson. *Second row:* Mr. Liemohn, Mr. Mankowski, Mr. Babst, Mr. Kottom, Mr. Marcouiller, Mr. Spolar, Mr. Drage. *Not pictured:* Miss Schmidt, Mrs. Stançari.

MR. ELMO LUNKLEY, Director

Mr. Lunkley, our able band director, is a man that we the students and faculty can be proud of. His ability to draw every ounce of talent from each member of the band is one of the factors which makes the Edison band an outstanding organization. His genuine and sincere concern for each student makes him a favorite with them. This Spring, the band under the direction of Mr. Lunkley, hopes to continue their tradition of rating very high in the state music contest. The music that Mr. Lunkley usually picks out for the band unfolds a real challenge to them. But with the guidance of Mr. Lunkley, the band always succeeds in presenting good class A music. Thus, our band continues to grow and improve with the help of Mr. Lunkley and each individual band member.

Desolation

The students at Edison have a wonderful opportunity to become better acquainted with music through the various musical courses offered. One of these courses is band. Under the direction of Mr. Lunkley, the band has always been an organization for the school to be proud of. When school opened in the fall, the band started work right away on the numbers that they were to play at the big football preview that was only a few days away. After that came more practice in marching and playing, so that they could make a good showing on our football field during halftime. When the season was over, the group settled down to begin the long rehearsals that went into learning such pieces as "Holiday for Winds," and musical score from the play "L'il Abner." These numbers were part of the concert that the band presented to their classmates, the students at Southwest, and the students at the Northeast Junior High. The band has had a busy year in that they played for both class plays, pep assemblies, and the basketball games and climaxed the year with their annual spring concert.

MISS MARY BARBARA FERGUSON

The Edison Choral Department has had a very successful year. Starting in the fall, Choral Club and Tommie Tones worked very hard on the inspiring Christmas pageant which they presented at an assembly just before Christmas vacation. The entire Music Department helped make it a success. After Christmas, work began on the numbers to be presented in the state contest. The Easter program was an awe-inspiring choral presentation of Holy Week. Miss Ferguson has brought fame to our music department through the use of music students on her television program. We are all proud of our Choral Department and especially our director, Miss Ferguson.

SERVICE AND CHARACTER

Both the Senior and Junior High National Honor Societies aim to create an enthusiasm for good scholarship, to develop worthy school and community citizenship, to stimulate devoted service to school, community and country, to encourage the development of trustworthy leadership, to instill exemplary qualities of character.

Candidates for the Senior National Society must be in the upper fourth of his class in scholarship and show evidence of the other requirements, service, leadership, and character.

Candidates for the Junior National Honor Society must have a scholarship average of no less than "B" and must also rate high in the other four standards.

For several years the Senior Honor Society has given a tea in honor of retiring teachers.

No honor conferred by the school excels that represented by this Society. It represents the fundamental objectives for which schools are instituted and gives recognition to those students who have attained most nearly the desired ends. Other honors at the disposal of the school are only partial in the sense that they recognize specialized ability, skill, or talent; but this Society looks upon education as a total product measured by the four dimensions of life. Throughout history, man has recognized the value of such distinction and in one way or another has marked for special honor those who excel. Ancient and medieval universities established their honor societies. In modern times the coveted honor of election to Phi Beta Kappa outranks all other distinctions. In a student's election to this Society, the whole school is honoring him for the attainments already made and for the promise he contains of continued excellence in the cherished ideals of this school.

THE ART OF

The Edison Chapter of the National Forensic League was organized in 1955 with eight members. This year we have seventy members in the Edison Forensic League, twenty-five of whom are also members of the National Forensic League, which is an honor society for outstanding students in speech.

The purpose of a forensic league is to give students interested in speech a chance to develop their ability by entering the various speech activities. These are debate, declamation, extemporaneous speaking, pantomime, reading, and discussion. We now take part in all these divisions. The first semester work is concentrated on debate, and in the second semester on the other activities. Our advisors are Miss Garland and Miss Schmidt; however, we receive help from various other teachers who were N.F.L. members when they were in high school.

The debate squad is composed of the outstanding debaters who compete in the advanced tournaments.

If the interest shown and the rapid increase in membership mean anything, the future of the Edison Forensic League should be very bright.

The French, Spanish, and German clubs were established to encourage an interest in the people and the countries in which these languages are spoken. Each club has several of its own activities each year, and together they put on a Christmas party for all foreign language students.

French club has taken a trip to a French restaurant and arranged for a feature length French movie to be shown to the French classes. Spanish club has made an album entirely in Spanish to be sent to some South American country. They also took a trip to a Mexican restaurant in St. Paul. German club went to a Twin City Christmas party for students studying the German language.

Our understanding of foreign lands was further broadened this year through the friendship of Roberto Alazraki, our American Field Service exchange student from Milan, Italy. Roby, as he was called by all his friends, was a welcome addition to Edison.

LEARNING BY SERVING

Edison High School is one of the few schools which prints its own paper. The Edison Record, a bi-weekly publication, is printed by a group of boys, under the direction of Mr. Reichow. In addition to the printing of the Record, the Staff prints such things as tickets, programs and other materials for school events.

The Record staff is composed of seniors who have been recommended for the job on the basis of their interest and ability in the field of newspaper publishing. Writing the stories about school news, editing it, and then publishing these articles give the staff members the basic training needed for a career in Journalism. The Record also provides an outlet for creative writing in the form of poetry, short stories, essays, features, and editorials to all the students in the school.

The Record serves as a permanent record of the school activities and reflects student life and student opinions.

CHEERLEADERS

One of the hardest working and peppiest groups of any school are the cheerleaders. It's the cheerleaders who are on the sidelines of every game trying their best to help the team win.

The reward for all the time and effort put into the practices came when the crowd at a game really showed school spirit through their loud cheers and the team went home with a victory.

BUILDING FOR THE FUTURE

F.H.A. is a national organization of students with the goal of helping individuals improve personal, family, and community living, now and in the future. The F.H.A. motto is, "Toward New Horizons."

The Edison F.T.A. is an organization of Senior high students interested in teaching as a profession.

ROCKET CLUB

In this day and age of rockets the important beginning to learning about such things as rockets is in the school. Through such organizations as the newly formed Edison Rocket Club that foundation can be built. The members of the club study rockets and the many possible propellants. Realizing the danger involved, the members have devoted themselves to the study and not the handling of rockets.

BUILDING CHARACTER

The Hi-Y and Blue-Tri organizations are a part of the Y.W.C.A. and the Y.M.C.A., respectively. The purpose of these organizations is to encourage these young men and women toward a life of Christian living. They work closely with the Hi-Y and Blue-Tri groups of other schools. Because of the size of the Blue-Tri they must divide it up into chapters. The Hi-Y meetings include many things, among which is the participating in sports. They raise money through paper sales and sponsor social events. Blue-Tri raises its money through the sale of Christmas stockings, Tommie dolls and medallions. These organizations are an asset to the school.

LUNCHROOM SERVICE

In the Lunchroom Service Club, the cashiers, counter girls and bus boys who work for the lunchroom get paid for their services. The qualifications are the need for a job and the ability to do the work.

The Lunchroom Monitors are a group of students who work during the lunch periods to keep order and enforce the rules of the lunchroom as set up by the Student Council.

STUDENT AIDES

The newest club to be chartered at Edison is the Library Assistants Association. The main purpose of the club is to better acquaint pupils with the operations of the library. Members must work in the library. Additional requirements state that the student must have a "C" average and a fairly good knowledge of books.

The Nurse's Aides work with the nurse during their free period. Their duties consist mostly of clerical and errand work.

INVENTOR'S CLUB

The Inventors Club was organized in 1933 by Mr. Drage. Edison was the first school in Minneapolis to have visual aids. These first films were silent.

Today, there are thirty-five students in the club. Each student must maintain a "B" average and have a recommendation from a teacher to become a member. There are many responsibilities and duties which they must perform.

The main purpose of the club is to see that the visual aids are taken care of. This includes slide and motion projectors, recording machines, phonographs, microphones, etc.

The club also has charge of air raids and fire drills. They really work hard and deserve much credit.

Allen Johnson operates the sound equipment.

STAGE CREW—*First row:* D. Nye, M. Wieberg, M. L. Kranak, Mr. Simmons, Advisor. *Second row:* M. Nybo, R. Sargent, J. Stenbakken.

STAGE CREW

The stage crew does all of the behind-the-scenes work done on our stage. They devote much of their time during and after school to such activities as, Class Plays, Vaudeville, assemblies, and various other programs. Stage crew meets as an advisory and its members give up their study hall period to work on the stage. To become a member a student must have at least a "B" average and approval by Mr. Simmons, the advisor. All members must take a course called Stage Craft. In this course they learn the different skills directly associated with the Theatre.

The Stairguards perform an important duty to the school. They regulate traffic in the halls and on the stairways of Edison. They set an example of good conduct for all the students. Juniors and Seniors are eligible to become members, but they must be recommended and selected by the faculty with approval by the present membership of the guard. To be considered they must maintain at least a "C" average scholastically. The advisor, Mr. Mankowski, keeps his guards constantly on the alert for any violators of school rules. Through the Stairguards, the students have another part in school government.

The Hallguards were an experiment and are now a part of the Stairguards. The officers or stairguard captains are chosen by popular vote of the group and are introduced in an assembly in the spring.

JUNIOR HIGH

The purpose of the Junior Red Cross is to provide experience for service. All students are eligible for membership through contributions of money or service. The Junior Red Cross Declaration of Principles is: "WE BELIEVE in service for others, for our country, our community, and our school; in health of mind and body to fit us for greater service; and in working for better human relations throughout the world."

Junior High Drama is a class of freshmen who produce plays for the benefit of experience in appearing in dramatic productions. During the course of the year this group studies poetry, monologues, and also such things as the works of Shakespeare.

ADVISORIES

The advisories are a very important part of our school days. It was in these rooms that many of us first met the kids who were to become some of our best friends. The Monday bulletin became an important part of advisory business. Other Monday business prepared us for the future and left us with a good habit; that was the student banking day. Most contact between students and the office is taken care of during the advisory period. Other advisory functions include the distribution of notices, the collection of fees, and the discussions concerning action taken by the student council. In many cases the time spent in advisory is just the right amount of time to finish any last minute homework or to catch up on the latest gossip with our friends. All in all, the time spent in advisory was well spent.

All-City, Second Team

"Inexperience hindered the football team throughout the season," said Mr. Guzy. The team fought hard and stayed in the game until mistakes caught up with them. The team supplied many thrills and the student body was behind them all the way. At the end of the season Larry Walker was voted Most Valuable Player. Also outstanding were Joe Yablonsky, Jerry Kondrak, Jim Lubinski, Ted Pollack, Ed Roethke, Dave Gervais, and Ed Kocon.

SOPHOMORE FOOTBALL

The sophomore football team is composed of boys who will form the backbone of the future varsity team. In sophomore play the boys gain valuable experience and learn the fundamentals of the game. This team was characterized as a fighting team with plenty of spirit. The boys played to the end of every game. The team, coached by Warren Smith and Eldon Lindahl, ended the season winning two and losing three. The outstanding players were Charles Bubar, Mike Ryan, Cliff Hickerson, Bernie Marciniak, and Jerry Barfuss.

CROSS COUNTRY TEAM—*First row:* L. Grotte, B. Erickson, G. Godfrey, D. Dzubay, J. Reichow, J. Vermeer, R. Miller, Mr. Bates, Coach. *Second row:* G. Wilson, G. Basset, D. Fitzgerald, C. Decker, N. Selman, B. Brown, J. Zdeon.

CROSS COUNTRY

The prime requisite of cross country running is stamina, the ability to economize energy and power. Cross country is hard work, but that is why it is valuable. Any hard task performed, whether physical or mental, is valuable to youth. The Edison cross country team did exceptionally well this year. The team won three out of five meets, not including the city and state meets, in which we had a city and state individual champion. Ray, the team captain, did an outstanding job of running. Ray captured the city and state championship against some very good competition.

Our state champ, Ray Miller.

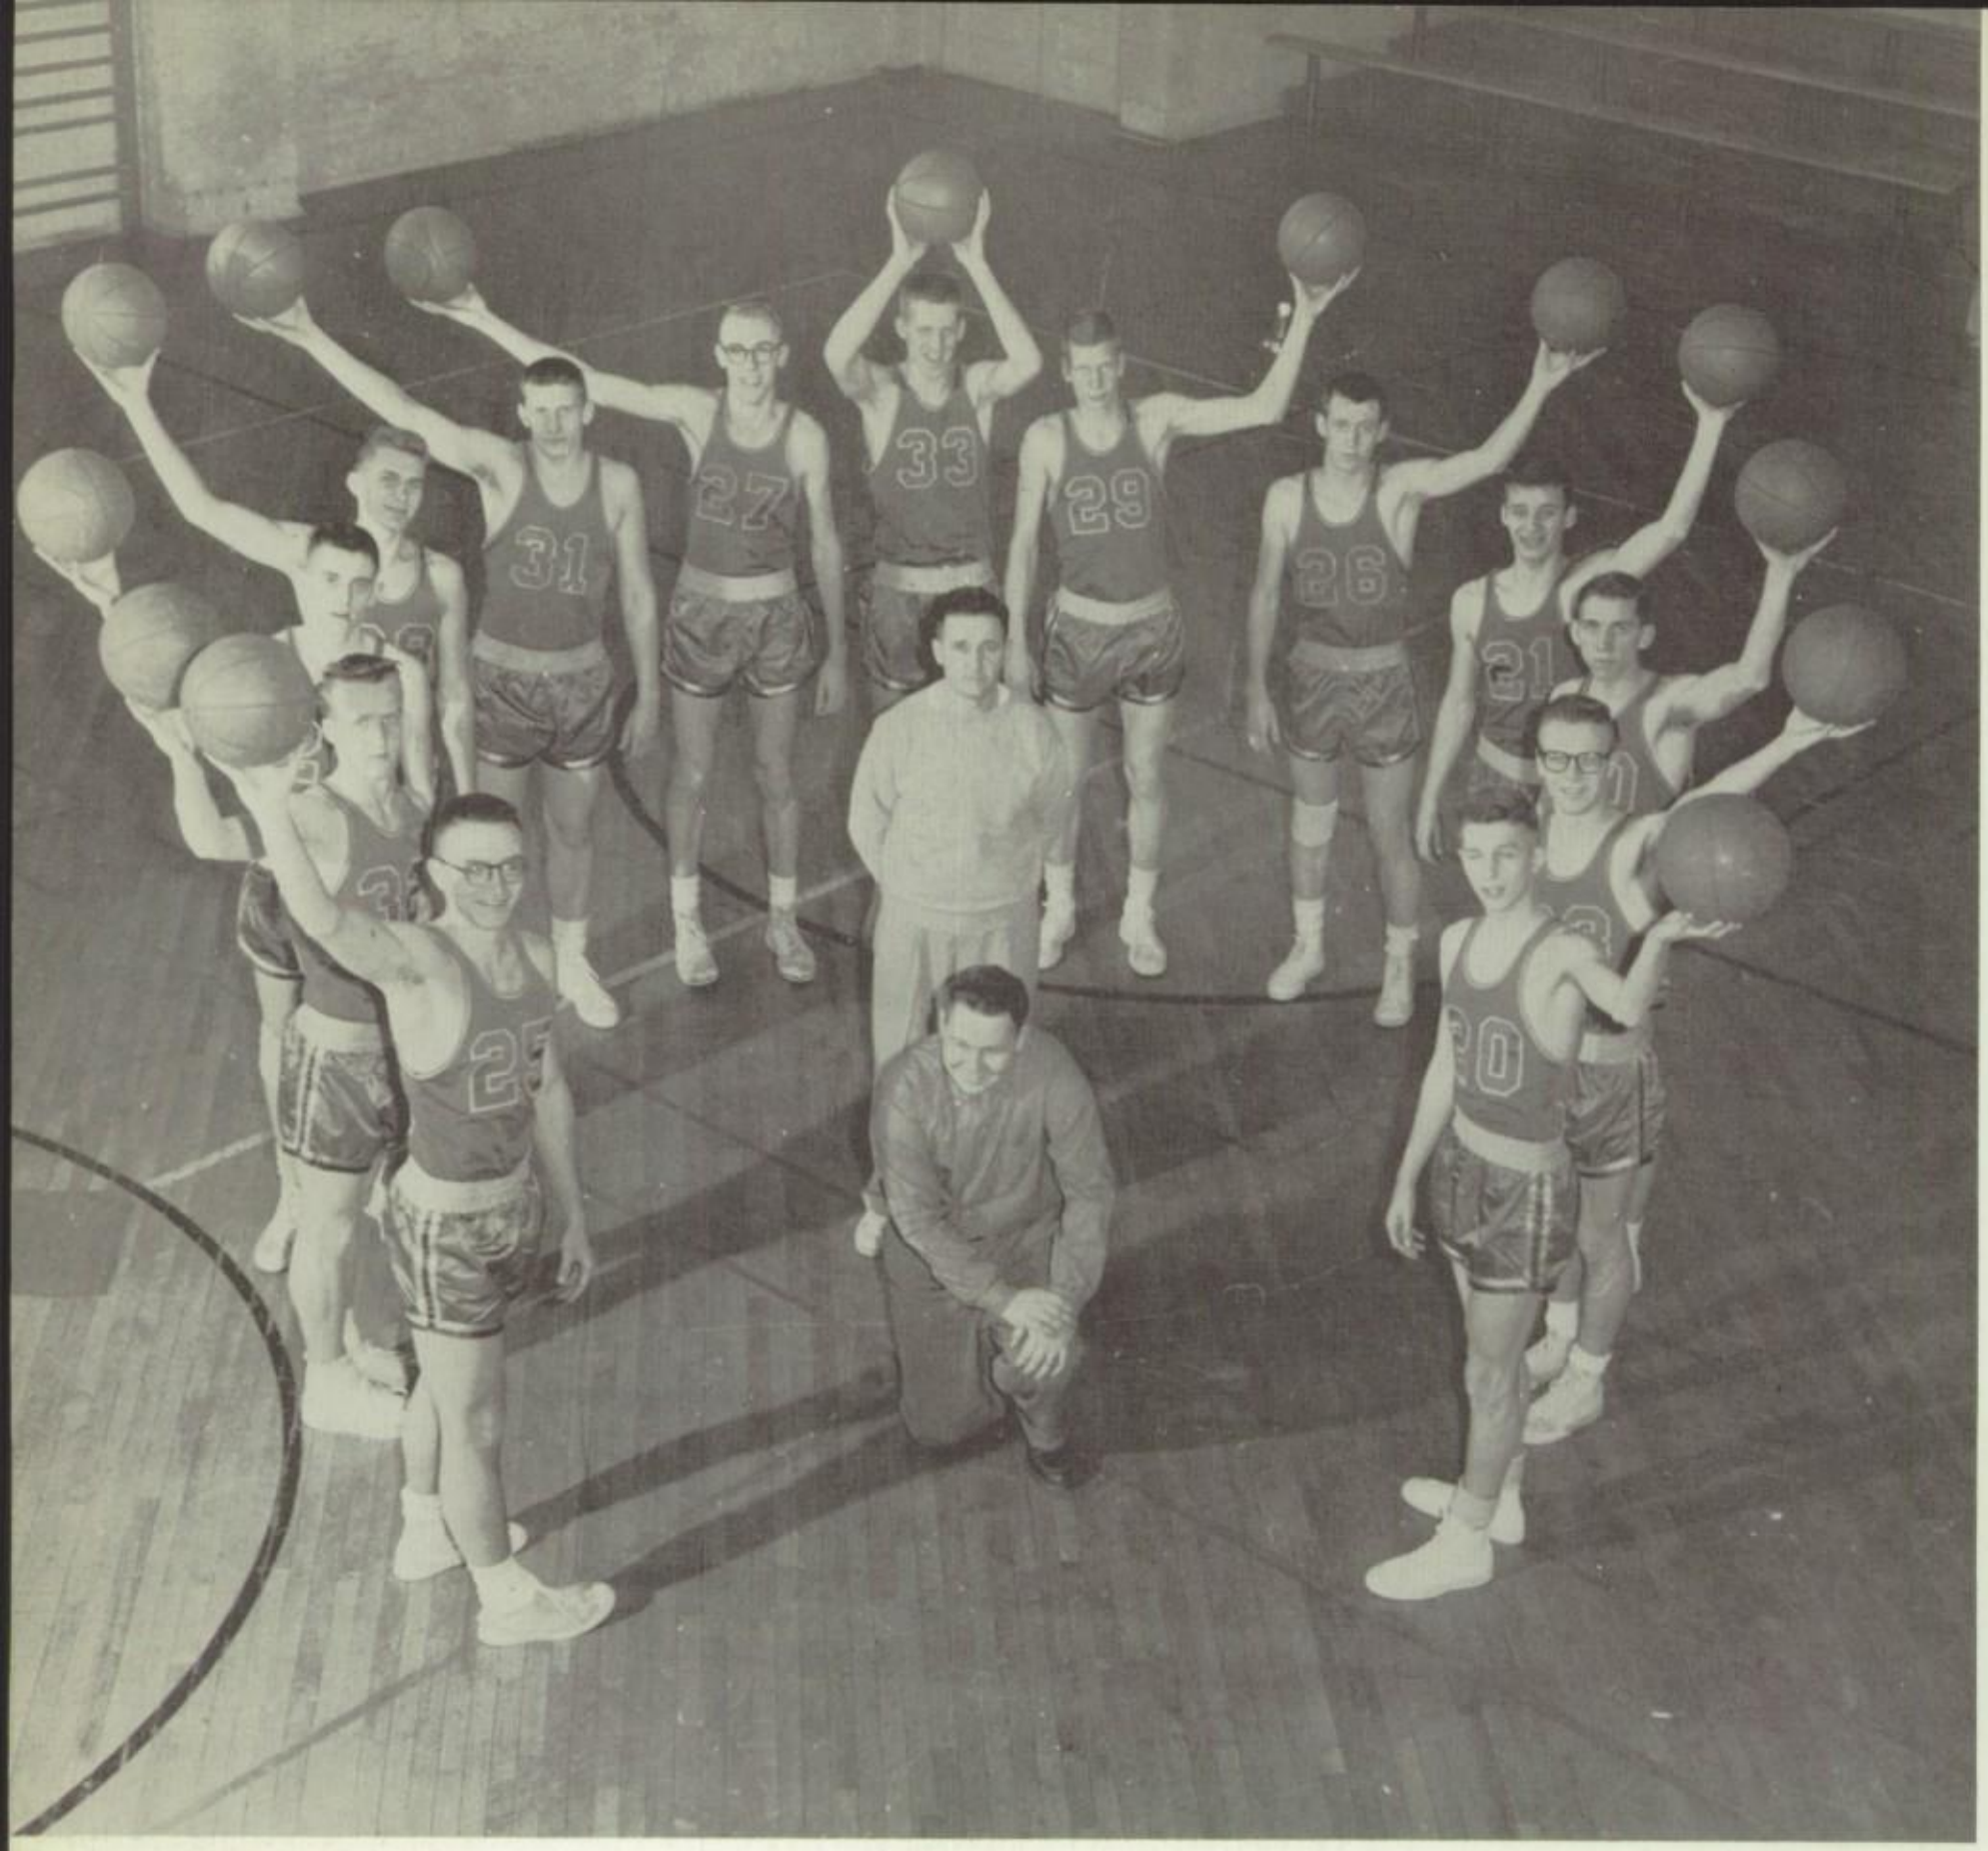
John Wojack practicing slalom.

SKIING

For the second year in a row, poor snow conditions forced the cancellation of several ski meets. Two meets were held at Wirth Park in jumping and cross country. The city meet was on Saturday, February 1, with eight of the city high schools entered. Edison placed fith in slalom and cross country and sixth in jumping. The state skiing tournament took place at Duluth on February 14 and 15. Six boys from Edison made the trip along with 36 other boys from other Minneapolis schools.

SKI TEAM: R. Stellic, R. Clark, G. Stenbakken, D. Godwin, A. Fretag, B. Fretag, J. Wojack, D. Ives, D. Terry, J. Korba, M. Livingston, Mr. Jedlund, Coach.



BASKETBALL TEAM—*Clockwise:* B. Edlund, C. Newquist, D. Bourgerie, D. Delvin, J. Kondrak, D. Dzubay, D. Lindow, T. Olsen, D. Smith, J. Strauss, L. Walker, L. Cybyske, B. Guzy. *Center:* H. Weise, Manager; Coach Lopata.

BASKETBALL

The basketball season was marked with ups and downs. The team got off to a slow start with losses to Vocational and Henry. Then followed a strong mid-season as the Tommies picked up momentum and poise. In the latter part of the season Edison dropped close decisions to Roosevelt and North, the city co-champions.

In district play they kept picking up momentum, beating three of the City's top teams, South, Central, and Roosevelt, for the championship. Edison placed four players on the All-District team: Captain Jerry Kondrak, Denny Lindow, Terry Olsen, and Darryl Bourgerie.

In Region 5 play they defeated a fast, hard pressing, good-shooting Buffalo team in a close and hard fought game. Then Edison faced a smooth Willmar team with the championship and a state tournament berth at stake. The game had the appearance of a Willmar rout as the Cardinals jumped off to a 16 point lead in the second quarter. Edison rallied brilliantly and tied up the game in the third quarter. But Willmar's rebounding proved to be too much for the Tommies as they ended the season by losing the game 57-50.

Jerry Kondrak, Denny Lindow, and Terry Olsen were selected on the All-Region team.

SOPHOMORE BASKETBALL TEAM—*First row:* D. Yates, G. Hill, B. Marciniak, D. Solz, B. Risch, E. Kaminski, T. Urbanski, R. Wojciak. *Second row:* J. Mantis, J. Eich, D. Lesterson, B. Prehar, R. Allen, J. Vadis, J. Glodek, D. Couture, Mr. Kottem, Coach.

SOPHOMORE BASKETBALL

The Sophomore basketball team placed second in city competition. City champion Washburn handed them their only defeat by a heartbreaking score of 61 to 59. The team won their other games by sizeable margins. The regulars were Jim Vadis, Doug Solz, Roy Allen, Bob Risch, Bernie Marciniak, and Jim Glodek. According to Coach Kottem, there are excellent possibilities for good varsity ball players out of this year's sophomore squad.

Doug Solz completes a successful fast break.

Captain John Ebert on the parallel bars.

GYMNASTICS

This year's gymnastic team had the most successful season in recent history. In dual competition the blue and gold "D" class men won six and lost two. The "C" class team won seven and lost one dual meet.

This year's team was not only well balanced for team competition but also had several outstanding individual stars. John Ebert, senior team captain, was one of the best all-around individuals in the conference. John placed fifth in the Northwest meet. He also placed seventh all-around in the city meet. Terry Thomson, senior, was a steady performer but was most successful in his "C" class tumbling. He was first place medalist in the Northwest meet and third in the City meet and second in the Region and State meets.

GYMNASTICS TEAM—R. Miller, K. Berglund, B. Kauth, T. Thomson, T. Urista, J. Humananski, B. Kishish. *Second row:* R. Stellic, D. Chesno, B. Turnquist, G. Holmberg, G. Schultz, D. Sullivan, K. McCoy, R. Eklund, Mr. Berg, Coach. *Third row:* N. Thomson, B. Tieg, J. Germanson, G. Hagfors, T. Pink.

SWIMMING TEAM—*First row:* D. Bell, P. Falley, D. Crocker, R. Nelson, D. Rog. *Second row:* Mr. Marcouiller, Coach; N. Solberg, E. Koch, D. Rosell, J. Jones.

SWIMMING

The swimming team anticipated a very favorable season, but lack of depth hindered the outlook as the team ended up with three wins and seven losses. The wins being against Vocational, Marshall, and South.

Norm Solberg, a senior, swam the 100-yard breast-stroke and the 100-yard butterfly, and set season records in each. In the city finals he took first in the breast-stroke and the 150-yard individual medley. Going on to the state meet, Norm placed fifth in the breast-stroke.

Danny Crocker, a junior, also set pool records in his two events, the 40-yard free-style and the 100-yard free-style. By qualifying for the city finals, Danny set a new meet record in the 50-yard free-style and tied the state record for the 100-yard free-style. In the finals he placed first in the 50 and second in the 100. Danny went on to the state meet and placed fourth in the 100-yard free-style in final competition.

As it looks now, it won't be too long before the swimming championship returns to Edison.

Defenseman Ed Roethke stops a charge by North.

HOCKEY

With five more goals sprinkled through various games, Edison's season could have been greatly changed. They finished the season with a 3-6-1 record. Al Forrest, Ed Rothke, and Bill Murphy were always a threat to their opponents. Mr. Gunberg predicts a respectable team next season due to the fact that the team was composed of mostly juniors. The boys have been playing together since ninth grade and have gained valuable experience.

HOCKEY TEAM—*First row:* R. Johnson, E. Roethke, A. Forrest, B. Murphy, G. Pestello, J. Johnson, J. Melbo. *Second row:* D. Gunberg, Coach; J. Ellison, J. Ostenso, M. Kellerman, D. Carr, J. Swadski, M. Pestello.

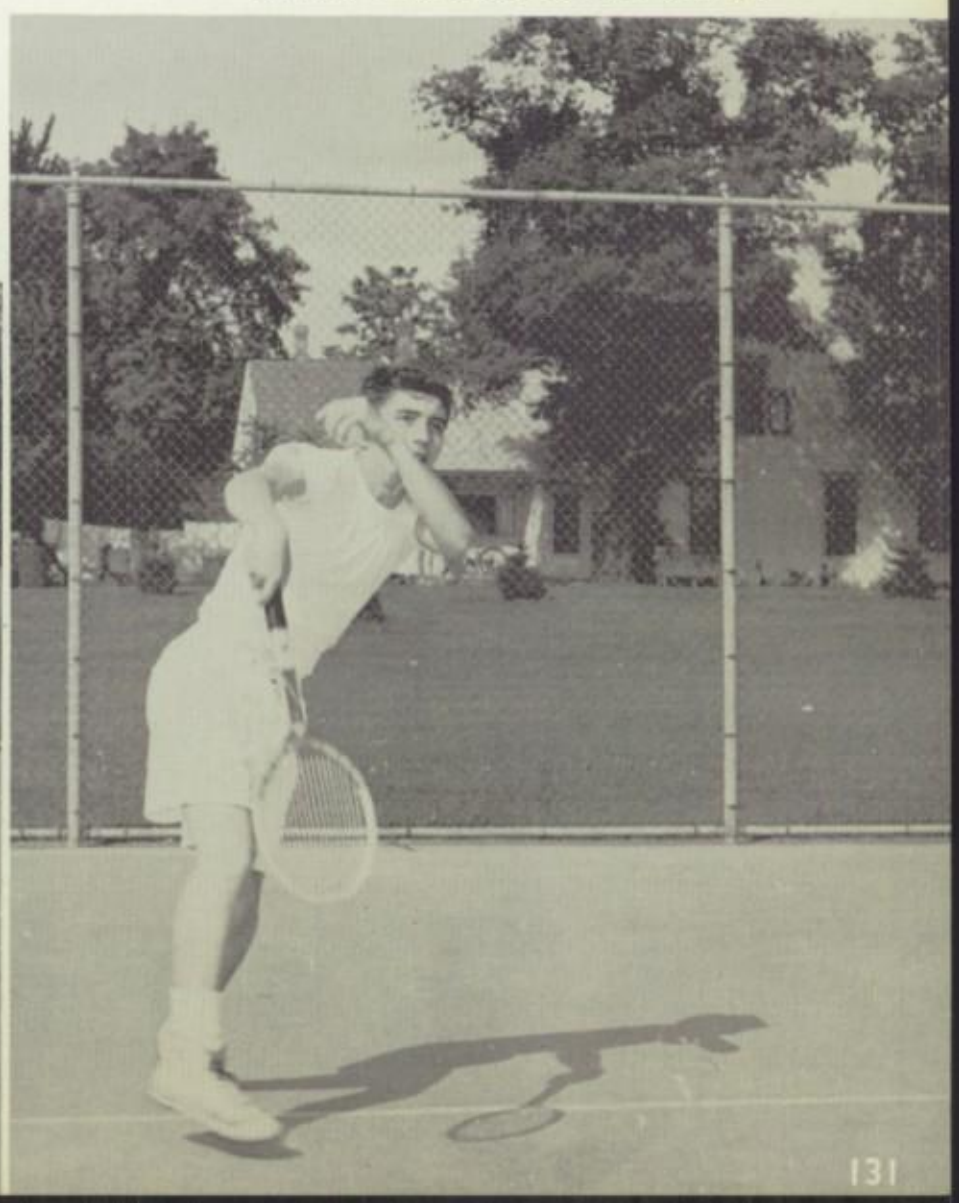
TENNIS TEAM—*First row:* M. Dorso, D. Rosell, J. Brecht, G. Holmberg. *Second row:* T. Thompson, J. Mack, B. Risch, Mr. I. Brown, coach.

TENNIS

The tennis team is in the process of rebuilding. Because of this, their record was disappointing. It is a young team consisting of one freshman, four sophomores, and two juniors. Prospects look better for next season and better yet two years hence.

Don Rosell shows determination.

Captain Mike Dorso delivers a serve.



Dennis Lindow shows winning form in the high jump.

Bruce Burkholder clears the bar for Edison.

The success of the track team was hampered by the lack of short distance runners and upper classmen. Their record showed three wins and two second place finishes in five meets. The outlook is bright for next season if some strength can be added to the short distance events.

WAYNE MANDERY

Gene Swanson lays down a perfect bunt.

The baseball team, led by co-captains G. Swanson and G. Mastro, ended the season with an 8-1 victory over Vocational. This made the record 6 wins and 2 losses and gave them the right to face Washburn in the city playoffs in which they met defeat.

This year's team was dominated by seniors and featured good pitching and solid hitting. With only three returning lettermen, W. Mandery, T. Ficocello, and J. Kondrak, coach Pete Guzy faces a job of rebuilding.

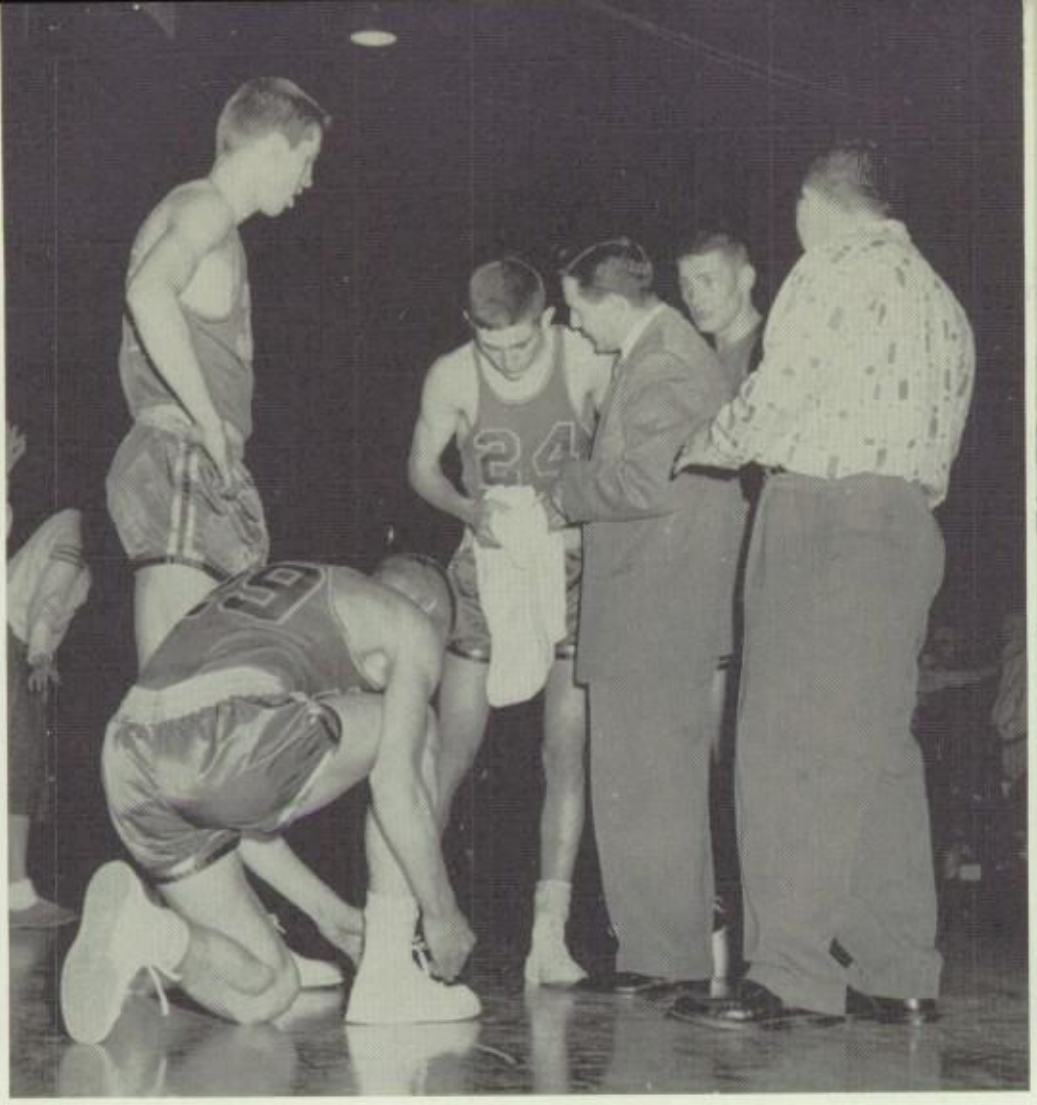
GOLF

With nine wins and a single loss, Edison finished the season with a three way tie for first place in city competition along with Roosevelt and Washburn. Gene Hansen was the team's most outstanding player. For coach Ben Liemohn this was the 12th championship in 18 years at Edison. His teams have never finished below second.

GOLF TEAM—R. Gaffney, A. Forrest, G. Wallin, P. Evanson, G. Hansen.



Louie Lopata plans strategy.

BOARD OF COACHES

The main responsibility of the board of coaches is to decide the athletic policy of the school. They meet whenever necessary on the request of the principal. They also give recognition to the outstanding athlete in Edison High School. Their choice is based on conduct, scholarship, and athletic ability.

BOARD OF COACHES—*First row:* D. Gunberg, C. Hamrin, P. Guzy, P. Samuelson, B. Liehomn, L. Popata, G. Parsons. *Second row:* B. Berg, E. Lindahl, W. Johnson, H. Jedlund, E. Larson, R. Reichow, W. Marcouiller, M. Bates, W. Smith.

GIRL'S SPORTS

MISS BARTON

The girls' physical education department has three instructors: Miss Barton, Mrs. Conover, and Mrs. Stancari, who teach a well-rounded sports program including interschool and intramural competition. This year there is special emphasis on physical fitness and so an apparatus unit has been added to the growing list of activities in the gym department.

Each of the teachers have individual classes but work together in planning the intramural competition. Mrs. Stancari teaches an eleventh grade class and is also the coach of the tennis team. Mrs. Conover instructs grades eight through eleven and shares the teaching of the leadership class with Miss Barton. Aside from her regular teaching duties, Miss Barton also coaches the interschool badminton team and the golf team.

Although the gym instructors have many different activities and duties which require constant supervision, they manage to keep their department functioning smoothly and efficiently at all times.

Left to right: J. Hagen, K. Shortridge, S. Johnson, M. Rodger, G. Wilson, C. Eklund, B. Stein, C. Hanson, J. Hendrickson.

GOLF TEAM

For nine years the Edison golf team has been in city competition and has succeeded in bringing home the championship every year—a truly remarkable record. Last year they defeated West for the title at Gross 8-0, with Carol Eklund hitting a 49 for the lowest score of the game.

A good nucleus for this year's team will be provided by Beverly Stein and Gerri Wilson.

Carol Eklund blasts out of a sandtrap.

Standing: B. Grieve, R. Nicholas, J. Shelso. *Sitting:* B. Thayer, J. Fedors, D. Pearson, J. Brost.

TENNIS TEAM

Last year's tennis team was composed mostly of sophomores and juniors. They competed in four matches, winning one contest with Henry. Eagerness and hard work helped the girls obtain valuable experience.

Although the team was not strong, Miss Barton, tennis coach, is confident that this year's squad will be an improved team. Most of last year's team will be returning with hopes for a successful season.

INTRAMURAL BADMINTON CHAMPIONS—J. De Muse, S. Jaster, J. Johnson, N. Peterson.

CHAMPIONSHIP

All championship teams are the result of hard work and competitive play. Through elimination in class tournaments, the top team is selected for intramural competition. This team then plays other class winners and the champions are determined in the play-offs. There are different ways of running the tournaments, but the final result is the same.

FIELD HOCKEY CHAMPIONS—*Kneeling:* J. DeMuse. *Standing:* J. Sandberg, M. Rignell, K. Hogan, S. Peet, B. Nelson, R. Mies, N. Peterson, A. Anderson, J. Houdek, C. Moran, S. Petruzza.

INTRAMURAL TENNIS CHAMPIONS: B. Held, T. Skirka, D. Marciniak, J. Brost.

RECREATIONAL GAME CHAMPIONS: B. Jones, Y. Schander, S. Kopas, P. Kaye, J. Golden.

TEAMS

Some of the most important team activities offered at Edison are: basketball, volleyball, field hockey, badminton and recreational games. Experience in team competition teaches the girls sportsmanship, cooperation and acceptance of responsibility. The complete physical education program helps to develop well-rounded, enthusiastic and happy individuals. Due credit must also be given to our gym instructors who plan and direct the tournaments for intramural competition.

VOLLEYBALL CHAMPIONS: K. Vesico, B. Stein, L. Jostad, K. Naslund, B. Decker, J. Rood, C. Zunker.

RACKET CLUB—*First row:* J. Nelson, K. Pahl, B. Gustad, G. Thysell, Treasurer; P. Palmer, Secretary; Miss Barton, J. Brost, Vice President; C. Bednakr, J. De Muse. *Second row:* S. McCaffrey, C. SCHOOL LIFE

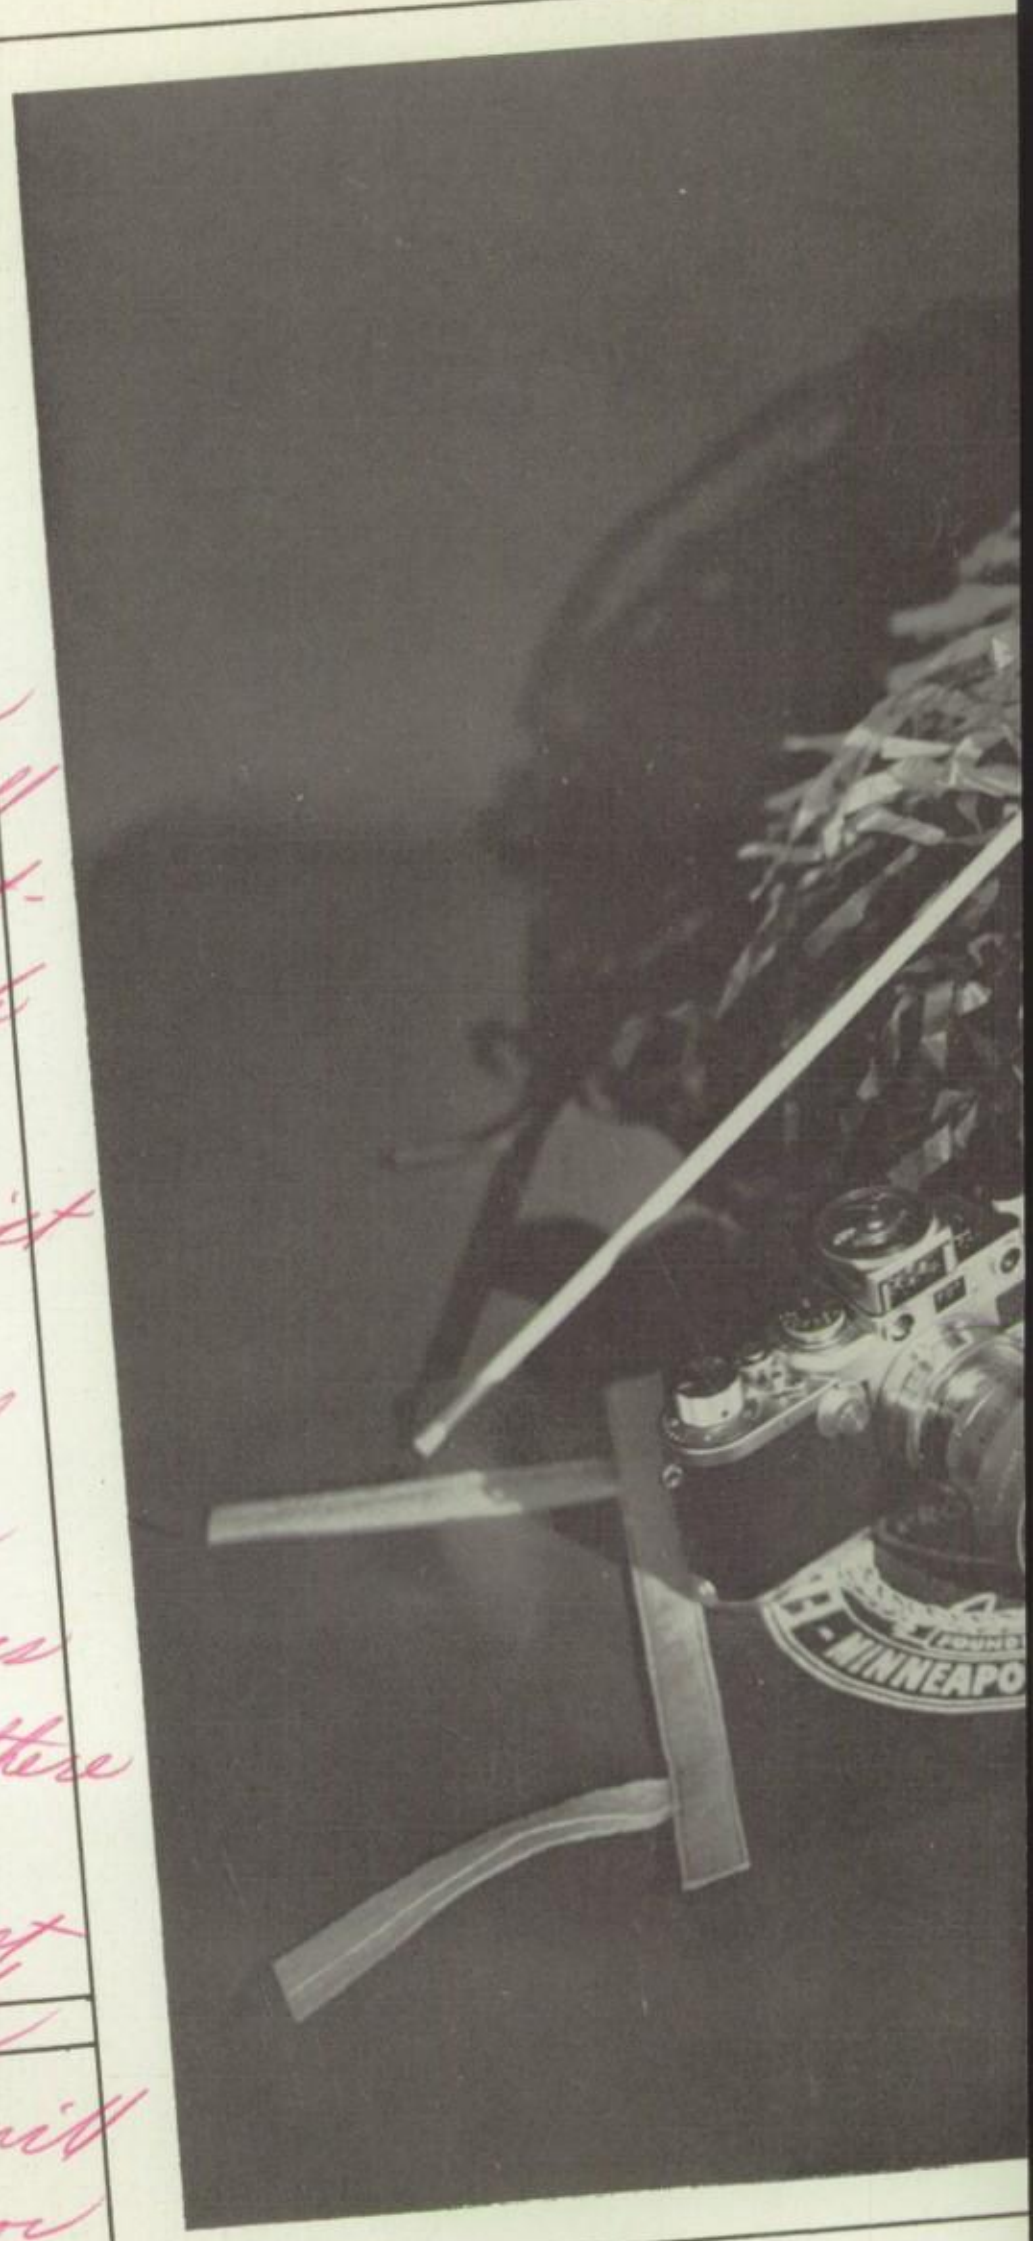
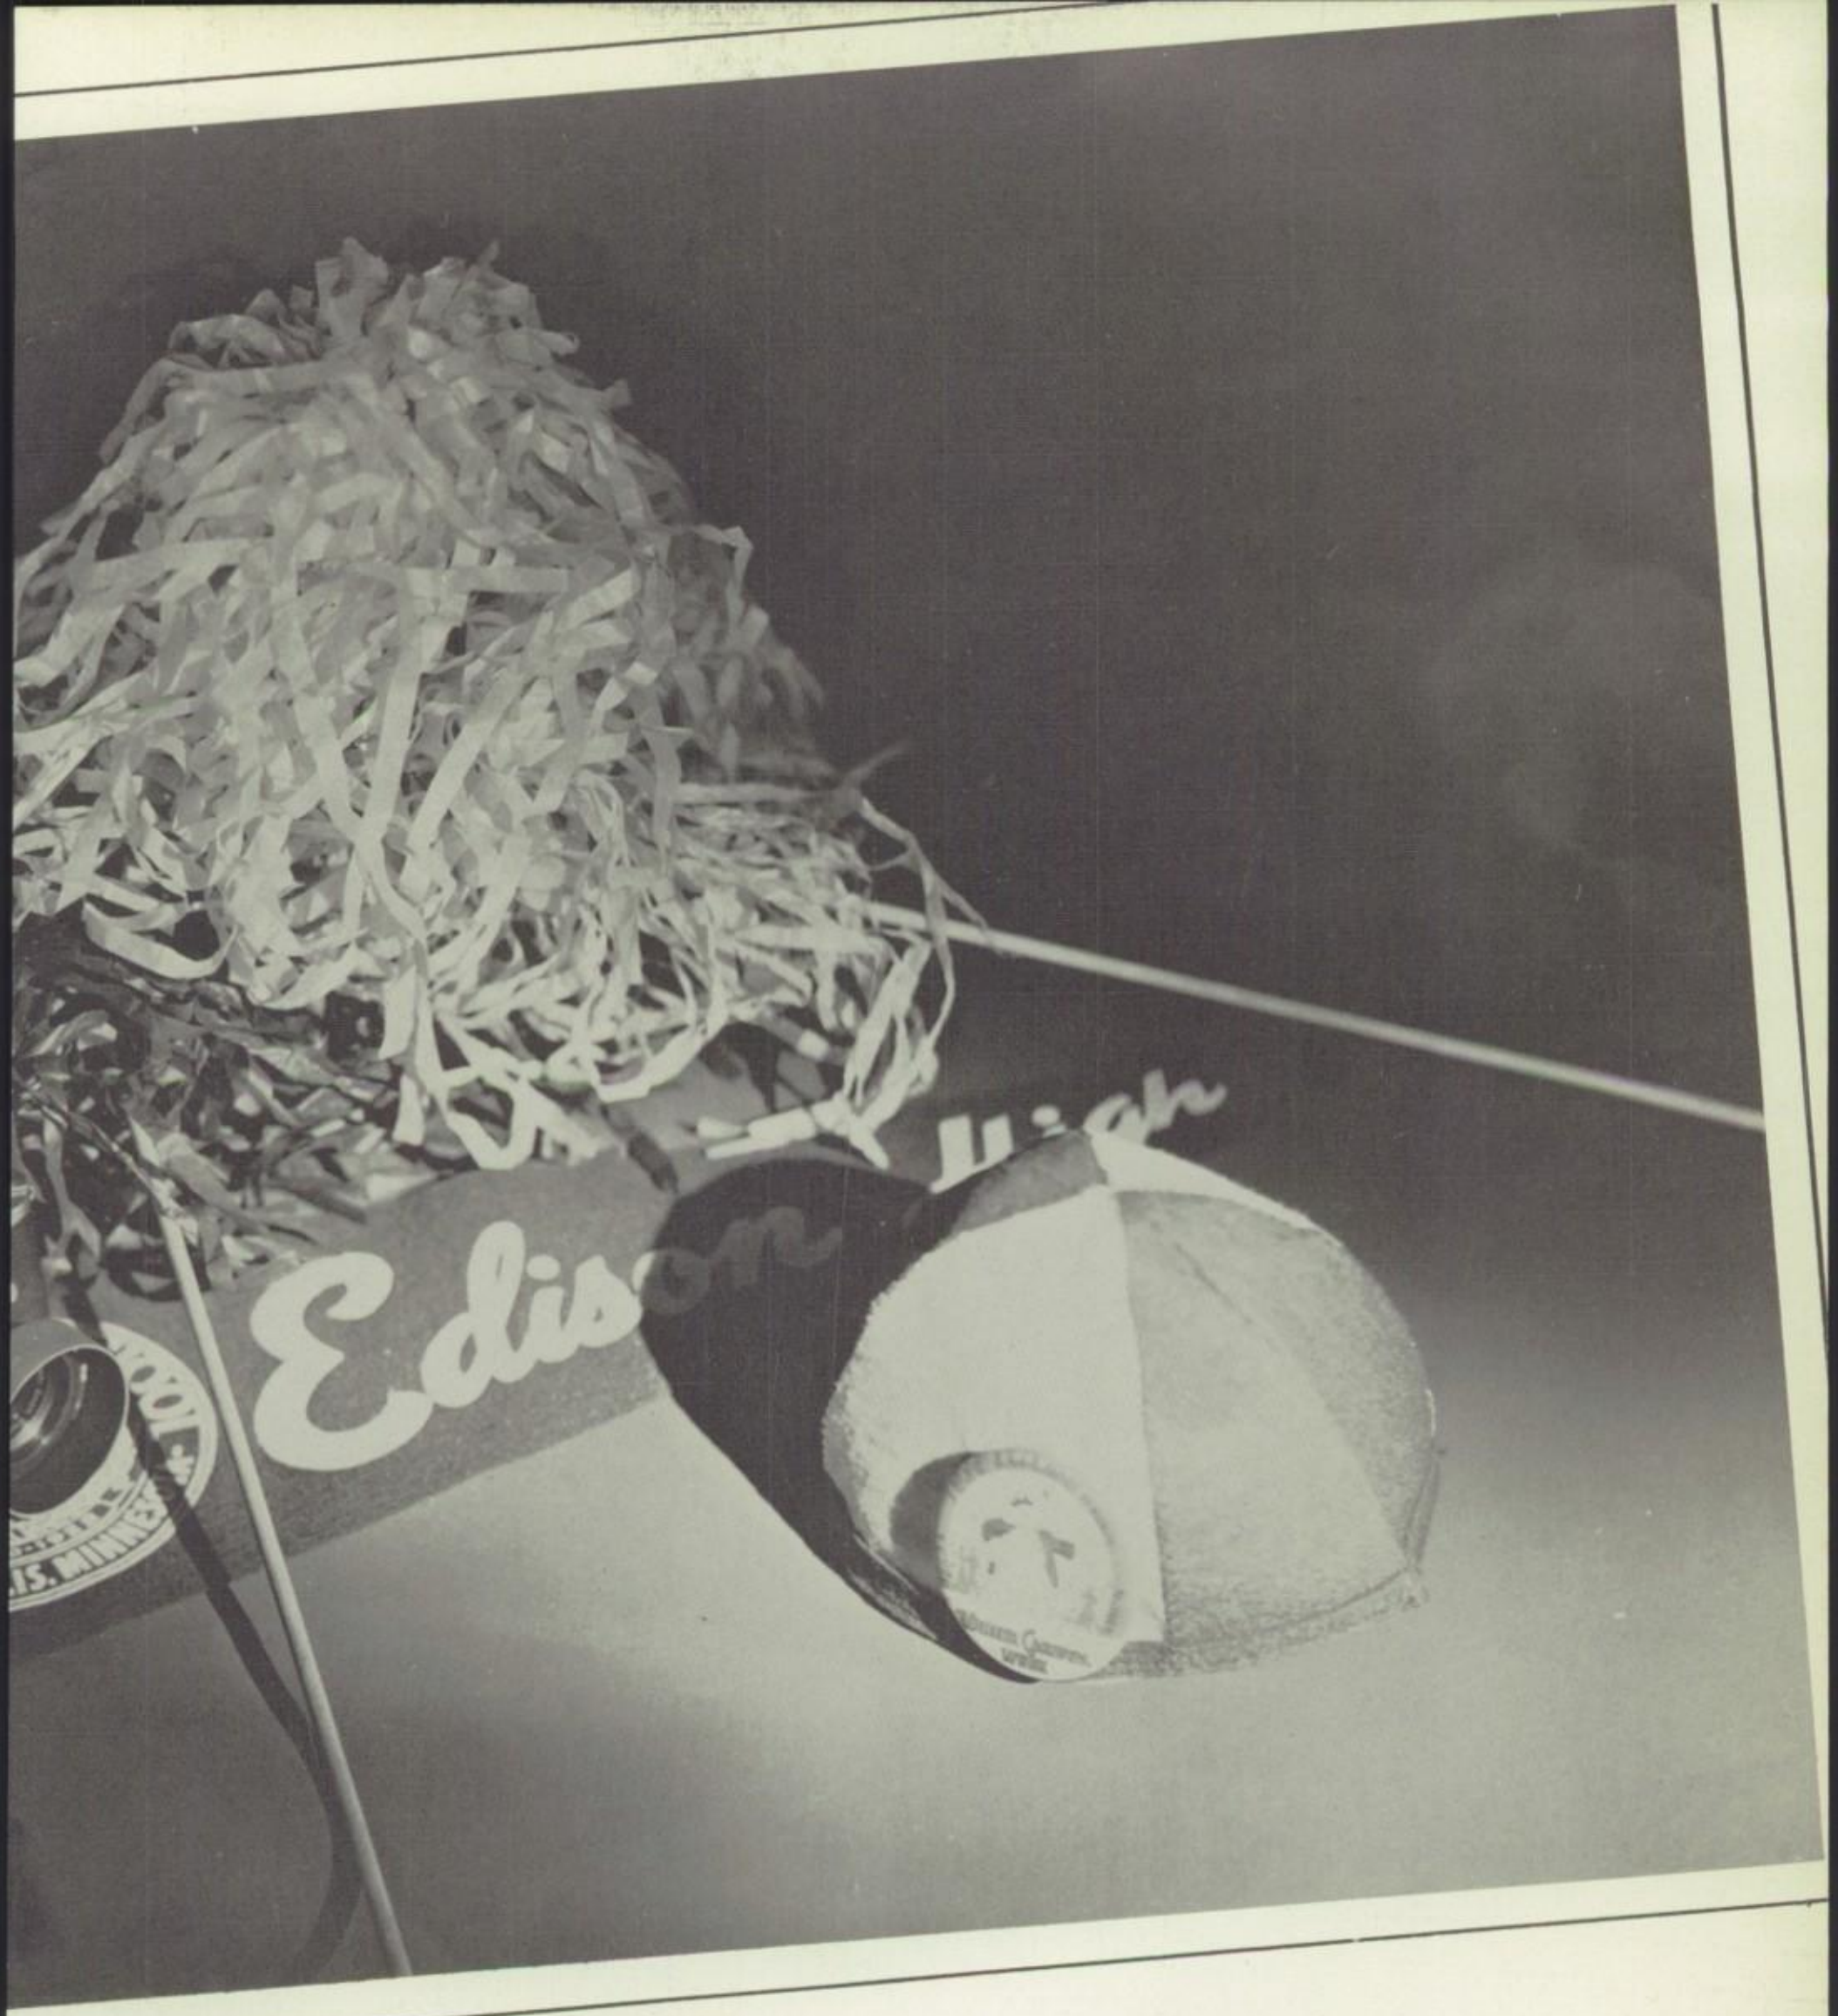
Dear Phyllis:

It sure was fun having you back at Edison this year even though it's kind of a rotten school. We surely did have many visits in "State" room. I sure am gonna miss that class and then all of those football and basketball games. I don't think I will ever forget the night we beat Roosevelt for district championship. And then there was the dances and our Jr. Prom. That was a ball but the next day was kinda different. Then there was vaudville. I guess they thought since you got the first prize in ninth grade and I got first we got first prize that we will be too much competition for all of those unprofessionals.



I spose I better close now. Lots of luck and be sure to call me this summer.

Love Marlys.



Where'er I am, by shore, at sea,
I think of thee.

OUR HOMECOMING ROYALTY

Excitement and suspense were in the air when Sandy Singer, WDGY disc jockey, named Barbara Gacek as our 1957 Homecoming Queen. Red-headed and blue-eyed, Barb's beauty and graciousness made her a charming queen.

Barb is a cheerleader and belongs to Pep-Club and Blue-Tri. Outstanding personality and school spirit will always keep Barb in the hearts of her many friends.

With the selection of Sandy Hudoba and Brian Brant as the Princess and Prince, our Homecoming Royalty was complete.

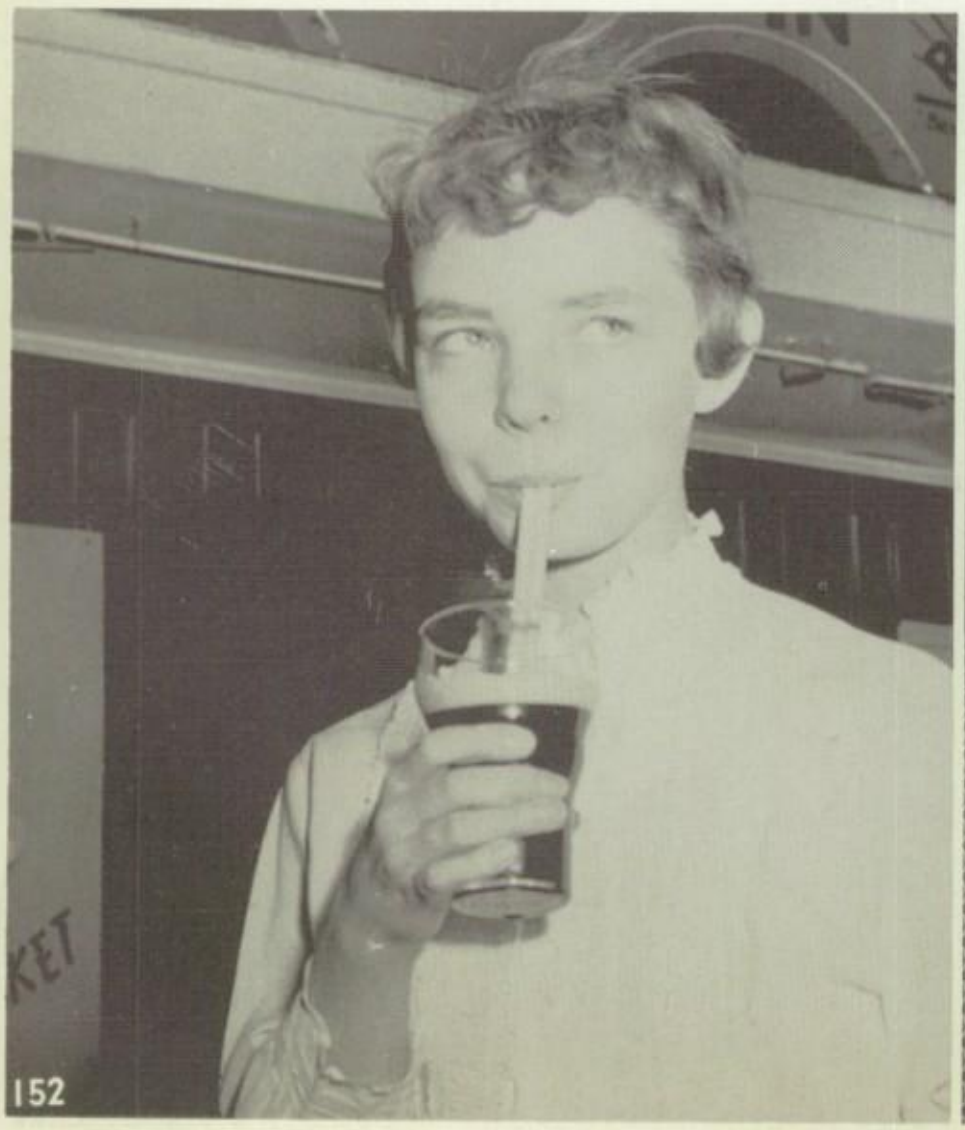
HOMECOMING ATTENDANTS

Susan Walker



JoEllen Lundell

From the moment we arrived at school in the morning to the last minutes of the dance that night, Homecoming was full of memorable events. The assembly, with its "Roaring Twenties" theme, was both exciting and entertaining. And even though we didn't "Scatter Southwest Nordeast," the game was close and our school spirit was never lost.

At halftime we watched a parade led by Queen Barb and her attendents. Jerry Dibble's band played at the Homecoming Dance, bringing an end to a perfect day.

The suspense is broken! Congratulations, Barb!!

THE BIG DAY

If spirit could win a game . . .

Don't forget my fee!

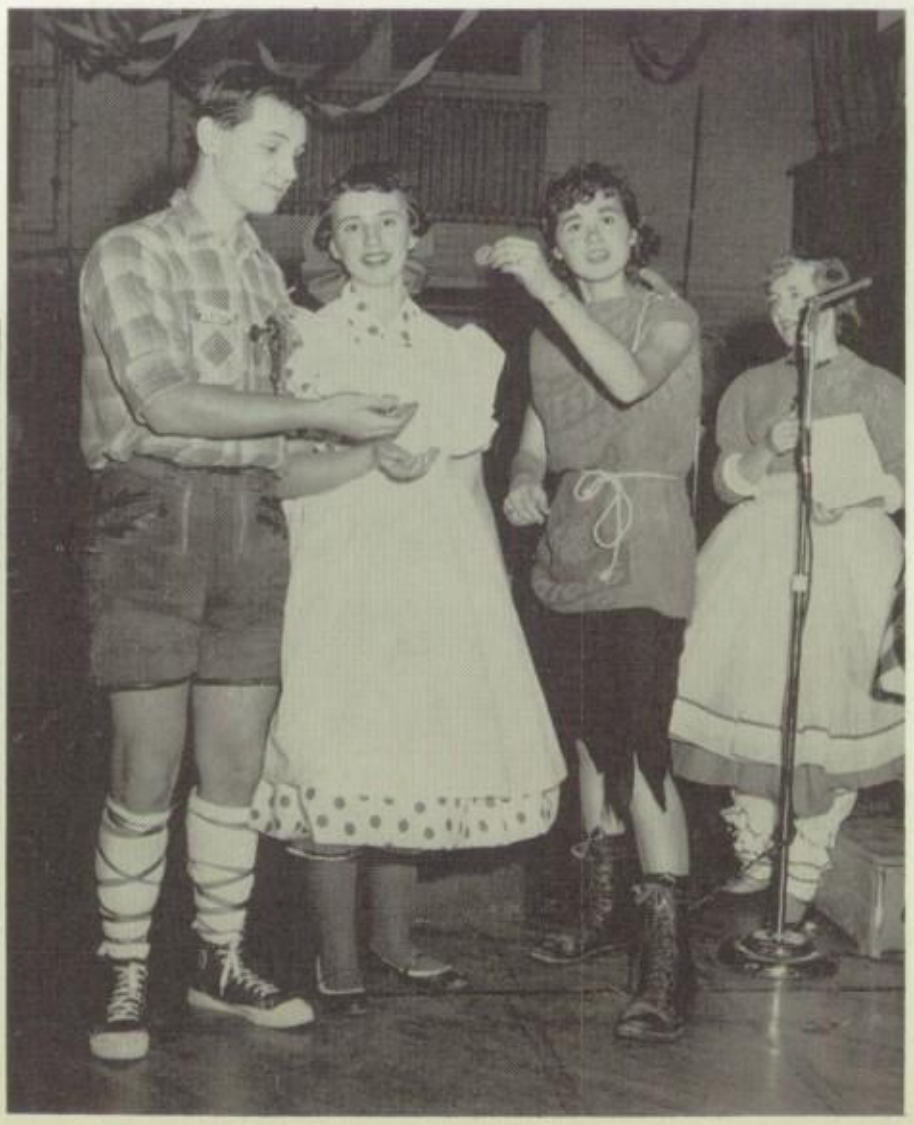
Let's not be difficult now, boys!

SADIE HAWKINS

Bang! With the first shot of the gun, the Edison bachelors ran out of the auditorium. A few seconds later a second shot was fired and the girls of Dogpatch (Edison) were on their way to catch a guy for the annual Sadie Hawkins Day Dance. For two miserable days, the boys tried every excuse they could, but eventually the girls won out. Finally, on the evening of November 27, the tormented boys and the happy girls were married by Marryin' Sam Spolar, and they danced the night away to the music of Roberta Kaye.

What a way to go!

And we call this "best-dressed"?



Come on, Sally. Buy it!

Our king, Al Forrest.

Dear Phyl, will you ever forget our episode with Jimmy Z.?! and the little brawl with Stan? I hope we have as much fun next year & get in as many classes together as we did this year.
Love, Sal

WINTER CARNIVAL

A successful Winter Carnival was the result of fine cooperation between the Edison P.T.A. and the Student Council. The midway was jammed . . . people between the ages of 2 and 102 tried their luck at the large array of concession stands. At 10:15, the king candidates were brought to the stage. The spotlight picked out Queen Barb Gacek as she crowned Al Forrest . . . our new 1958 Winter Carnival King. As the last notes of Danny Murphy's Band died away, the fun-filled crowd gathered the things they had won during the night and headed home.

Why don't I ever win a door prize?

That throw ought to win a prize!

Our award winning cast.

Left: "The long and short of it."

Left: Tennis shoes and bobby socks, as well as pointed toe shoes, were worn all year around.

Below left: These outfits show the college influence in Edison High.

Below right: Hooded coats and tweeds led the list in popularity and car coats were a close second.

"Sharp" is the word used to describe the Italian style loafers and desert boots worn by the boys.

FADS 'N FASHIONS

Car coats and jackets were stylish as well as warm.

Popular again this year were the "V" neck and "crew" neck, vest and shirt sweaters.

35TH ANNUAL

Above: An Old Fashioned Walk

Below: El Castigar

A year at Edison without Vaudeville would be like a Christmas without snow—it is one of the most important extracurricular activities we have. Preparation starts almost a year ahead of time. Regular Vaudeville meetings at Logan or at someone's house begin in the early fall. There are themes and ideas to be hashed out and voted upon. But whatever we accomplish during these early meetings, we never forget to have a good time.

VAUDEVILLE

Above: Kingston Sunset

Left: Mountain Music

Below: Sleepy Lagoon

In February there is a much awaited, but anxiously dreaded day—try-outs day. For weeks ahead of time, each act works extra hard, and then, after doing our best upon the stage, we wait fearfully for the list, telling what acts will be in Vaudeville, to be posted on the front hall bulletin board. There is a lot of work ahead for those who make it, and for those who don't . . . well, there is always next year!

OUR ANSWER

Every one of us joins in singing, for the finale, our theme song—There's no Business Like Show Business! With the last notes of this song, Vaudeville comes to an end—only to have preparation begin anew for next year's show.

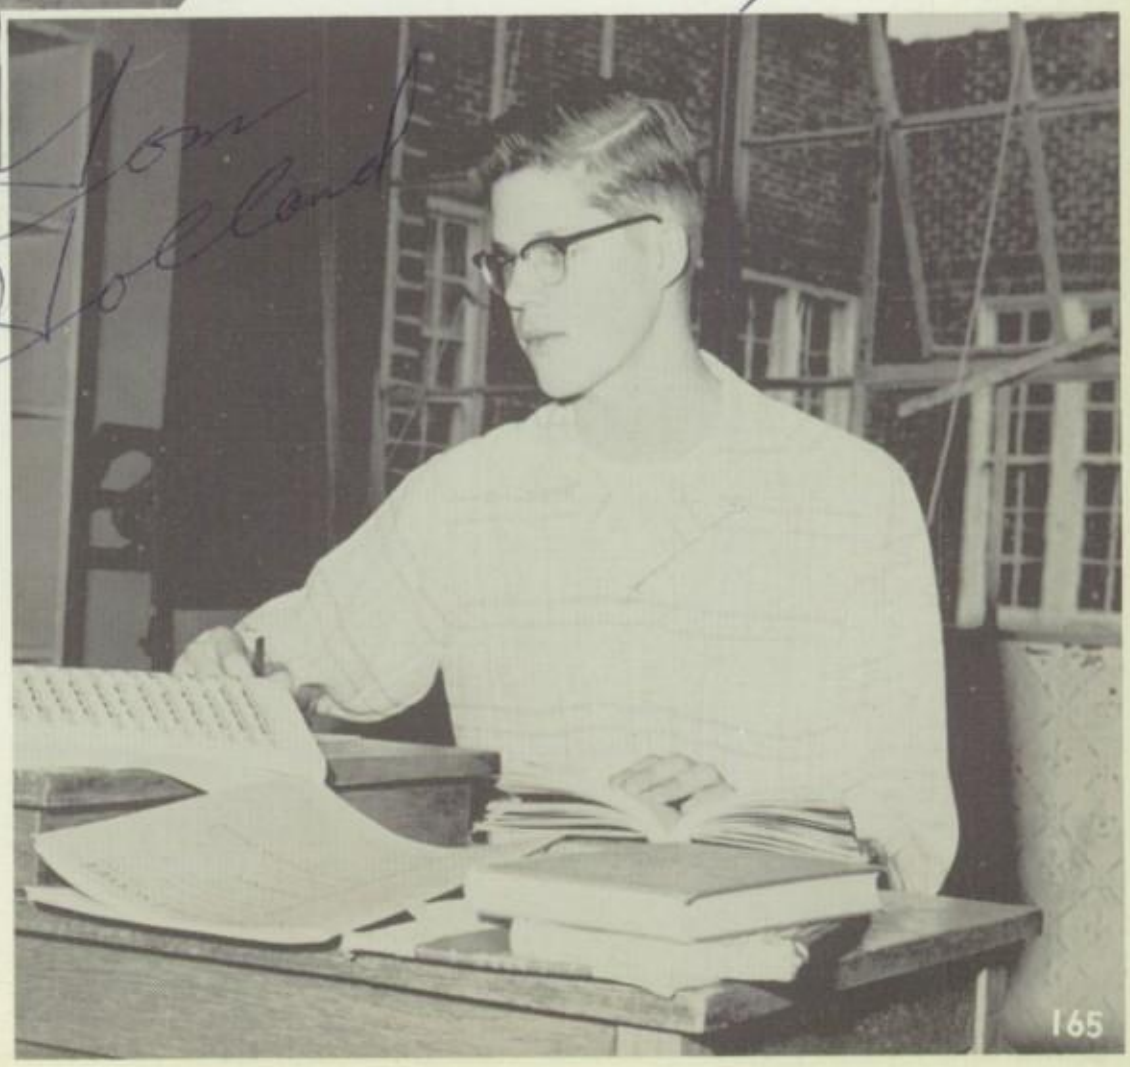
Thanks for your help with Vaudeville this year!

Tom Holland



April 24 and 25, 1958, the Edison High Student Council presented the 35th annual Vaudeville. Tom Holland was the general chairman, and Miss Ferguson was the faculty advisor. The show was wonderful and the audience could hardly tell that we were nervous. There were beautiful girls and handsome boys, enchanting singers and graceful dancers. All in all, it was a wonderful production.

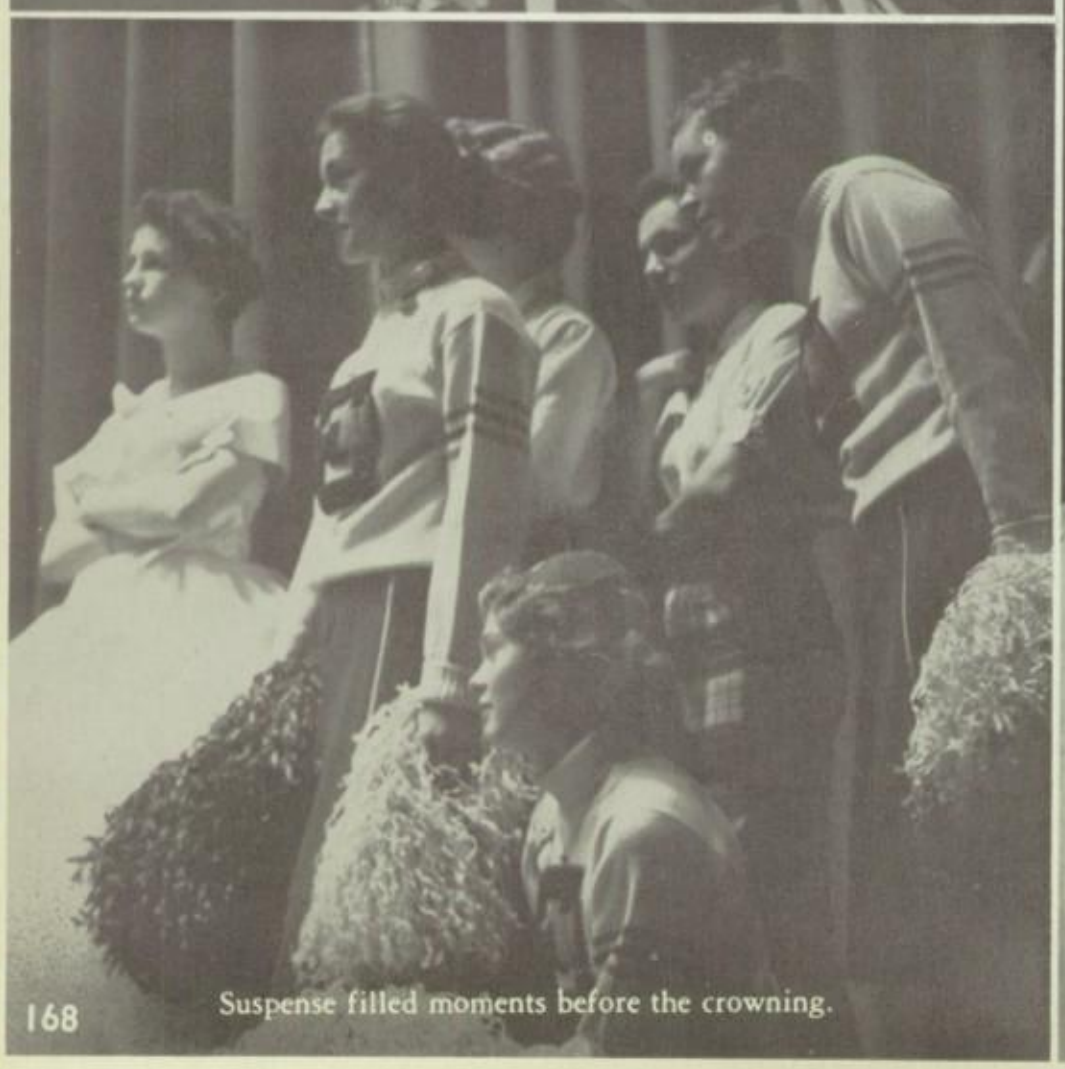
CANDID

Many things happen at school that we might forget were it not for the candid camera taking pictures when it is least expected. This helps us to remember exactly how everything looked.

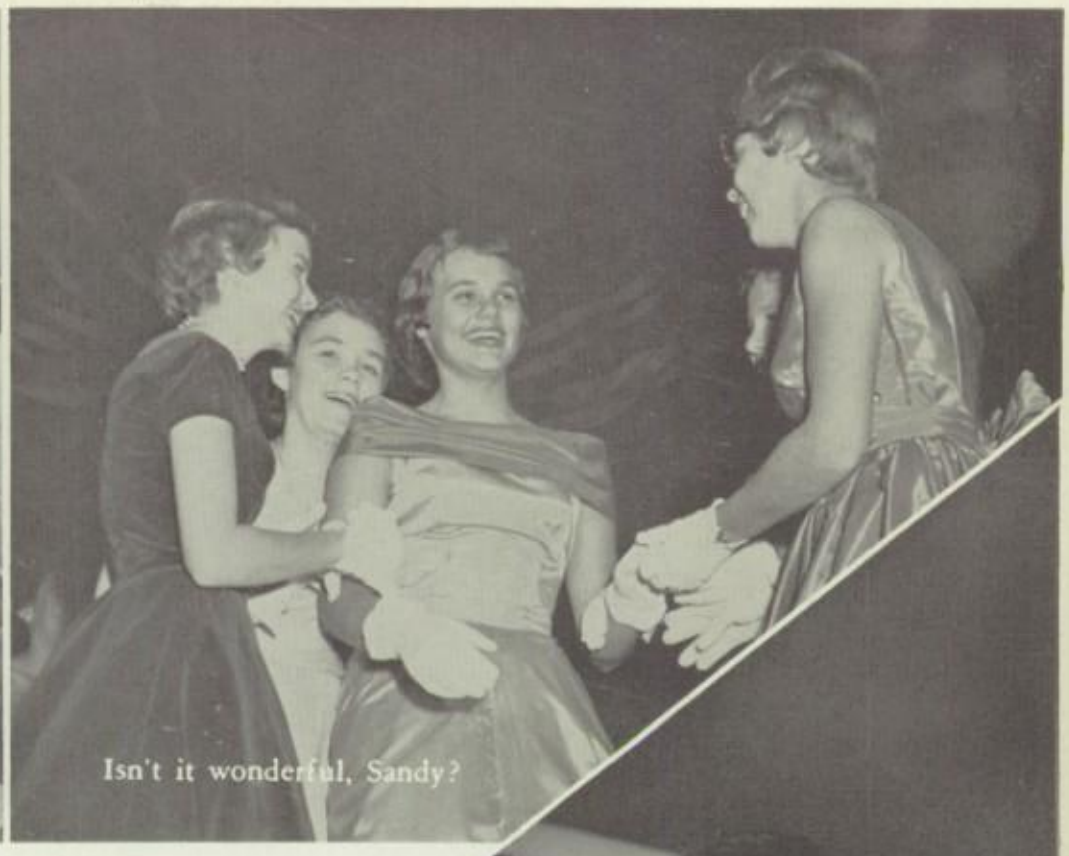
Do you think we'll ever finish?



Suspense filled moments before the crowning.

We are happy to congratulate you . . .

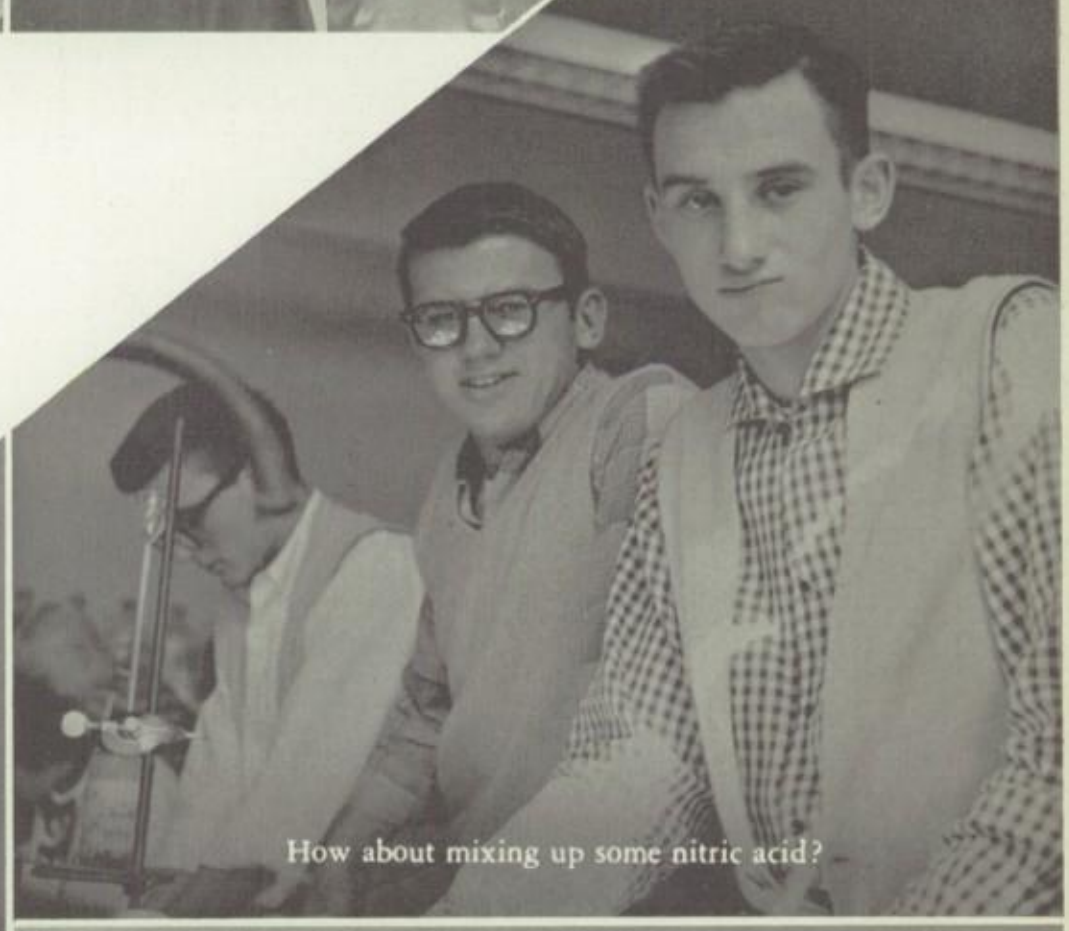
Does it smell good?



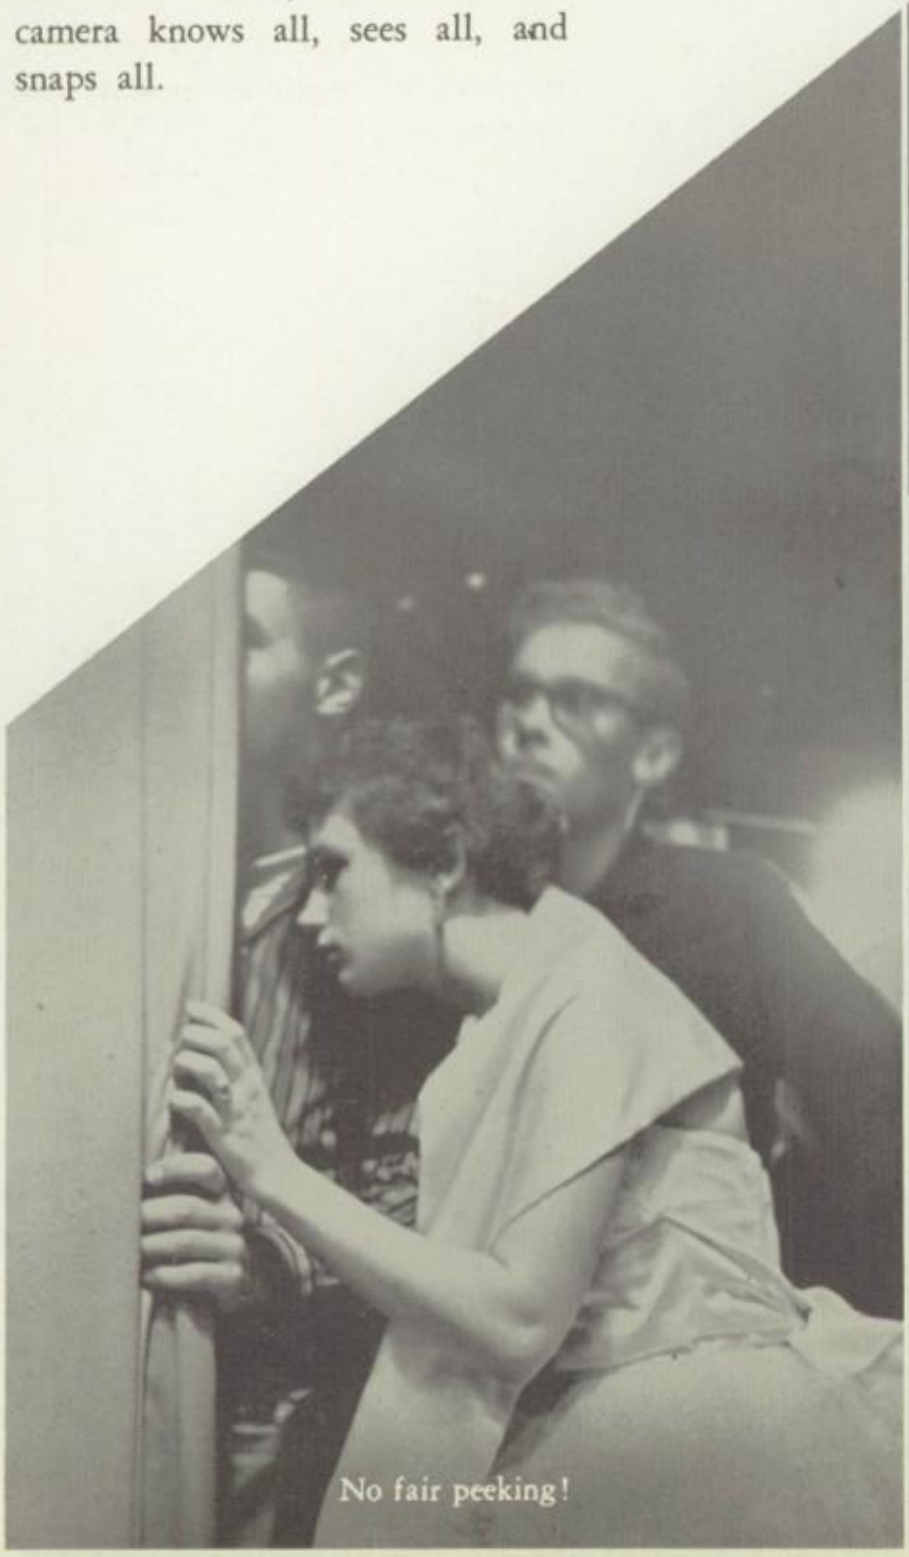
Isn't it wonderful, Sandy?

CAMERA

Sometimes we are surprised when we see ourselves on these pages; we shouldn't be, for the candid camera knows all, sees all, and snaps all.



How about mixing up some nitric acid?



No fair peeking!

There! That ought to fix it, Genny!

SCHOOL LIFE

Our Christmas program was especially beautiful this year.

One of the tableaus presented by the senior high music department.

These pictures were taken with the hope that they will help you to remember some of the things that took place here at Edison during the school year 1957-58.

MOMENTS TO REMEMBER

Time out during our class party.

This page is dedicated to the seniors—their parties and proms, their fun and good times. We hope that this page will help you to recall many wonderful moments to remember.

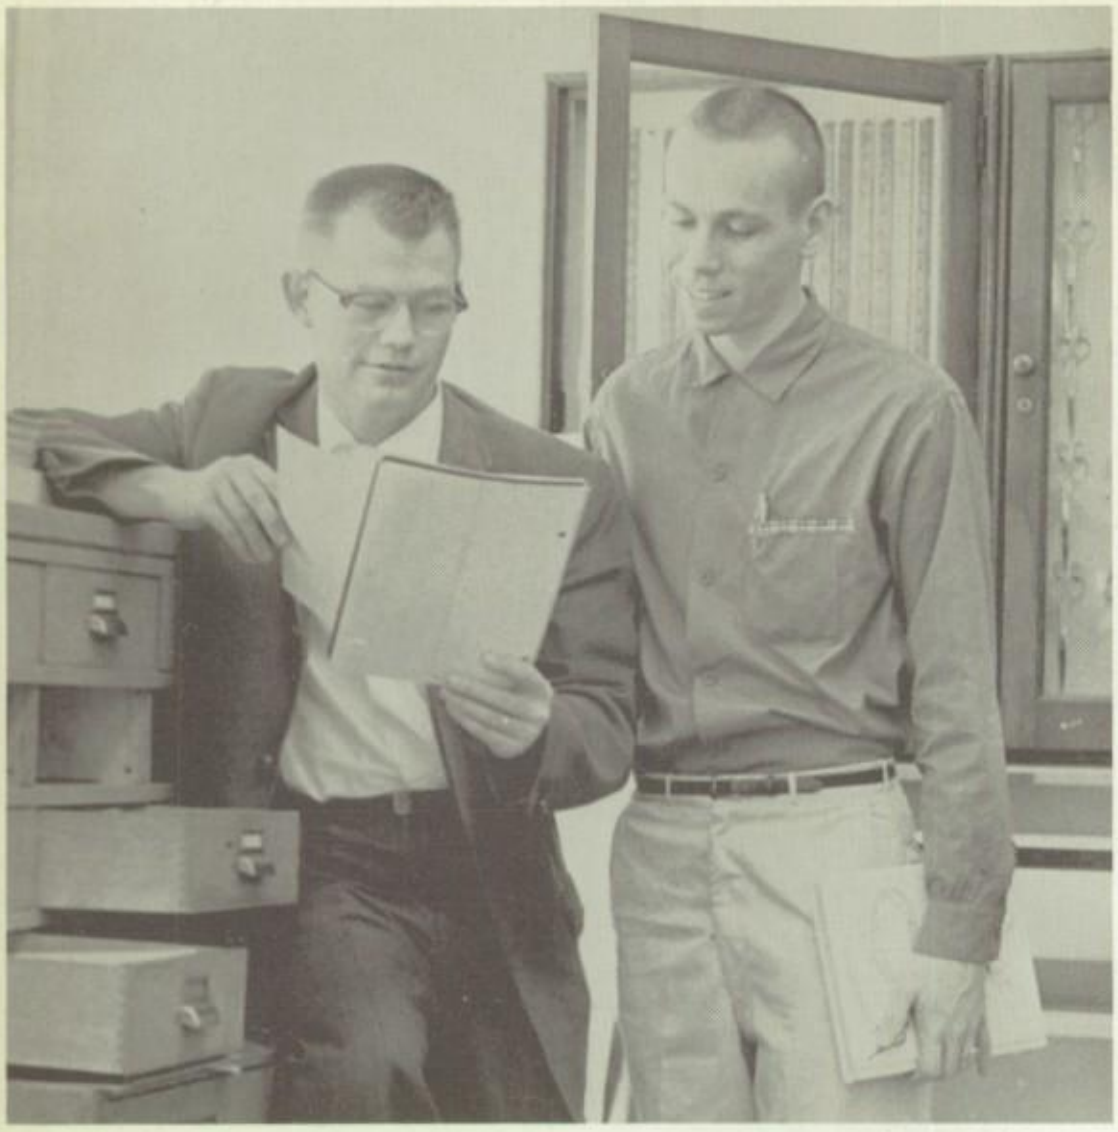
THE 1958 WIZARD STAFF



EDITOR: Rodney Nelson ADVISOR: Mr. Brown

Now its all over with. There's nothing that we can add or subtract from the WIZARD which is now in your hands. We've had a lot of fun preparing the pages which will always create memories in years to come.

We, the staff, will always remember the first time we walked into the WIZARD room. We knew absolutely nothing about making a book, but with the help of Mr. Brown we finally got started. Choosing a theme was our first job. After many days of discussing various suggestions, we agreed upon the sea. We hope that in doing so, we have chosen one that is common to all and actually is a reflection of life.

After the selection of a theme, we all settled down to the job of preparing the various sections. Many long hours

were spent on choosing the page lay-outs, making the write-ups, and taking and then choosing the pictures that would help make our book of interest to you, the student and reader. The biggest improvement will be noticed in the organization section. More pages were added enabling them to give the real coverage that an organization section needs. The school life staff had a more definite pattern to follow and thus came up with a section that we are sure you'll enjoy.

In conclusion, we sincerely hope that by the various write-ups and pictures that we have put into this book, The WIZARD of 1958, that you will have an everlasting guide to reliving the fun-filled hours you spent at Edison.

Hi Phil,

How in the heck are you!
Well another year has gone
by and we'll be big seniors
next year. Anyway I will, I
don't know about you. I'll
probably be be seeing enough
of you during the summer so
I won't say more. Don't forget
all the fun we have had during
the past few months. Especially
June 6 the night of the DJ party,
and all those other nights when
we went riding around. — , o —

Hi Phil
It has been fun
knowing you this
year. I hope I see you
next year. Say how
did that date come
off on 6/7/58 HUH!

to say. — so long

Phil,
Can't help it
Holmes down here
doesn't work? Well
all I can say is that
we really had a ball in
gym and at the DJ party.
Thats one party I'll never
forget. It's been a fantastic
summer. Enjoying you this year.
Dee Fosburg

Dee ya
round this
summer.

Phil.
I hope that you and Alan get to get the and go into the purse business. Good luck and I hope that you don't lose anymore purses.

Glen (Hoss-Boy) Stewart

Hi, Phil,
It's been fun knowing you. You are funny. I like the way you sneeze. I sure would like to have you next year Phil.

"Phyllis" It's been a terrific year, and I've really enjoyed knowing you. And you liked Edison as much as the academy. Hi C has really appreciated the use of your house for pray meetings.
May God Bless you over the summer

Dear Phil,

Got an ick?
I sure hope not.
I sure hope you
dried out from that
little shower you got.
I hope you have a
good time this summer
I hope you don't pass the
Physics test as I would be
alone.

Good luck always
